

## Press accreditation procedure

Journalists, photographers and video operators who intend to operate in the 43rd international speed uphill competition in Cividale Castelmonte on 2, 3 and 4 October 2020 must take care to transmit at 6.00 pm on Monday 28 September 2020, to the address [info@scuderiaredwhite.com](mailto:info@scuderiaredwhite.com) the following documentation:

- cover letter or e-mail (one for one or more persons to be accredited), on headed paper signed by the Director in charge (or Head of Service) or from the e-mail address of the newspaper to which they belong, specifying the names and roles of the persons whose accreditation is requested
- accreditation request form completed and signed in EVERY part
- declaration of responsibility release (one for each subject to be accredited)
- photocopy of professional card or identity document of each person to be accredited
- Freelancers are required to indicate the publications with which they usually collaborate and attach a brief press review regarding the publications on motorsport to the accreditation request

Each accredited person must deliver the original self-declaration form for COVID-19 risk to the staff, duly completed in all its parts.

It should be noted that due to the COVID-19 emergency, the number of publications and operators that will be accredited is very limited. The issue of the aforementioned passes is at the sole discretion of the organization and ACI Sport and it should be noted that the chronological order of submission of applications does not guarantee acceptance of the request.

The passes must be collected PERSONALLY by each accredited person and will be available for collection at the press room in Cividale del Friuli "Casa delle Associazioni" in via Carraria 101 (building on the left side of the starting line), Friday 02 September 2020 from 13.00 to 19.00. Each accredited person will be subjected to a body temperature check.

Access to the press room, set up in compliance with the COVID-19 containment rules, is allowed only to holders of numbered bracelets / press passes and to personnel authorized by the organization with masks.
